the second coming of jesus christ will be a great day for the righteous and a dreadful day for those who are wicked this book is designed to prepare you to warn you and to answer your questions about the coming of christ ultimately the most important thing you can do is to prepare yourself to enter the presence of the lord signs is a scriptural guidebook on that journey author shaun bailey has used modern technology and a lifetime of study to search the scriptures for clues that don t just identify the signs of the times but put them in a useful chronological order over 540 scriptural references and quotes from the prophets are compiled to explore 37 signs in depth and in context this is the first book in a two part series and deals with the events of the sixth seal or the time period before the great and dreadful day of the lord

his office work of regeneration who is to convert those who are left from the second coming of christ the reverend clarence larkin was one of the most widely influential thinkers on end times prophecies of the early twentieth century and his writings remain vital to appreciating the apocalyptic christian thought that today enjoys widespread popularity this 1918 work outlines exactly what the bible predicts for the end of mankind s reign on earth and the return of the christian savior with a special emphasis on who is to be saved and why numerous charts and illustrations depict the judgment seat of christ the stages of the second coming the failure of man and more also available from cosimo classics larkin s the spirit world rightly dividing the word and the book of revelation american baptist pastor and author clarence larkin 1850 1924 was born in pennsylvania and later set up his ministry there he wrote extensively and popularly on a wide range of biblical and theological matters

the overarching theme of this book is that the second coming of jesus happened in ad 72 and that therefore jesus is not coming again to rapture the church the book lays out a thorough exploration in support of this theme daniels prophecies are foundational especially his prophecy of the seventy weeks in daniel 9 2427 and his prophecy of four sequential fertile crescent mediterranean empires see daniel 7 the fourth empire or the roman empire is the key to understanding my theme with stress on the meaning of the horns on the head of the fourth beast see daniel 7 78 as proof of my theme i use the biblical code of two or three witnesses see e g deuteronomy 19 15 matthew 18 16 john 8 17 and 1 john 5 8 the three witnesses i give are daniel jesus and the collective apostles all of whom taught and agreed that jesus s second coming would take place before jesus s generation passed away matthew 24 34 furthermore i show how the epistles of the new testament reflect this theme by citing scores of passages from them for my readers to consider finally in chapter 5 of the book and in five appendixes i show how the book of revelation

aptly interpreted fully agrees with this theme

the second coming of jesus christ is the core of the biblical worldview the climax of the biblical message the cornerstone of biblical theology and the centrepiece of authentic biblical faith for the twenty first century at the heart of this bold opening statement by stephen motyer is the conviction that jesus christ is the centre of the scriptures even though he only appears at the end for the new testament writers jesus christ revolutionized their understanding of the scriptures and gave them a new centre around which to interpret the work of god in the world and the climax of that work is the second coming of that same jesus christ jesus himself used the language of the scriptures to promise his coming again the coming of the son of man hence we need the whole of scripture to understand what the second coming means for us today the fact that the bible ends with the prayer come lord jesus revelation 22 20 is deeply appropriate the second coming is the end of the biblical message its omega point its grand finale the denouement when all the players in the drama of earth history both human and angelic are gathered in the drawing room to hear the master unpack the plot and give the verdict motyer s comprehensive stimulating study is divided into two parts part one the biblical frame examines three old testament passages and lays the foundation for part two new testament hopes and visions which explores a series of key texts he focuses on the second coming rather than on millennialism or the end times in order to provide the fundamental biblical theology that must underlie our whole sense of god s future for his world
